Letter from the Vicar: *Getting away from it all*

On Sunday 17 July we held a united service at PPT and a relaxed Family Day at Heatree Activity Centre. Some climbed trees, some played croquet and we all enjoyed a cream tea in the shade of the beech tree and a short time of worship. After all the disruption of COVID we can give thanks and praise to God that our life as a church is being restored. We owe a great debt of gratitude to the untiring efforts of many volunteers and staff members, who have kept us going through all the changes and disruptions. I want to pay particular tribute to Tafline, who kept a steady hand on the finances, but is now stepping down for personal reasons (you can read her letter on p8). The last few years have also taken a toll on me and Dawn, so we are grateful for the support of the church wardens and staff team in enabling us to take a 3 month Sabbatical break (originally planned for 2021). We'll be taking a couple of weeks holiday, but spending the rest of the time at home in the

vicarage, so you will see us around the town. A Sabbatical is a precious opportunity for clergy to rest and '[unstring the bow](#)', to study and think more deeply about important issues, without the constant pressure of Sunday services, pastoral offices and administration. We'll be taking the opportunity to observe other local churches on Sundays and receive rather than give for a while. Emails and phone calls will be directed to the church wardens and administrator.

The pace of parish life slows during the summer for everyone. Some will be away on holiday, so the 5pm service, daily prayers on Zoom and the men's Thursday prayer breakfast will pause for August and resume in September, but I am grateful for the children and youth work team who will be maintaining a weekly activity at the 9.30am service and a youth gathering in Mill Marsh Park on Sunday evening.

While church life slows, there are many summer camps and festivals happening for the first time in several years - the Keswick Convention, New Wine in Peterborough, and (much closer to home) CreationFest in Wadebridge.

Our mission focus in July has been Falcon Camps, who are running 14 different activity holidays for children with disadvantages: please pray and give generously to allow this work to flourish.

Some of our young people are attending the boys and girls camps at Rora House, and I will be serving as chaplain to 200+ teenagers and 100+ adult volunteers at the Devon Army Cadet summer camp before the sabbatical begins.

A sabbath is a holy rest, so please do not take a break from prayer. In particular we need to pray for the [Lambeth Conference](#), which is being held over the fortnight 26 July - 8 August, and for the Archbishop of Canterbury as he gathers many of the Bishops of the world-wide Anglican Communion. I will not rehearse here the sorry history of fracture and indecision that has troubled us for the last 25 years, but please pray that the Lord would bring healing, repentance and

revival to our church. [Archbishop Mounier Amis wrote recently:](#)

“At this Lambeth Conference, the Anglican Communion stands at a crossroads. One road leads to healing the current divisions and another road makes the situation worse and irreparable between the traditional and the revisionist Anglicans. There is no doubt that the Conference represents a great opportunity to resolve the Communion divisions if the Bishops are determined, have the good will, and are given the opportunity to do so.”

Please also pray for the College of Bishops (all the Diocesan and Suffragan bishops in the Church of England) who will be meeting three times in the autumn in the light of the Living in Love & Faith project, to discern the way forward and present it to General Synod in February 2023. We will publish further details when we know the dates.

In the meantime we have much work to do locally. There was a sad incident in Hennock, when someone in distress drove a car across the churchyard and smashed a gravestone.

In Bovey the PCC is considering how to enable us to livestream weekly services more simply, and is seeking quotations to renew the electrical wiring and improve the lighting in church.

Although I will away from my duties, I will be praying for you all regularly: please remember Dawn and our family in your prayers also.

yours in Christ,

Graham

Anna Chaplaincy: by Jill Hosford

The Bishop and Diocese of Exeter are looking at ways of working with volunteers to support older people in their spiritual journey, especially towards the end of life.

In 2019 the Diocese looked at Anna Chaplaincy which had begun in Alton, Hampshire in 2010 and had become very popular in the south east of England, where Anna Chaplains and Anna Friends were ministering to the elderly. (The name Anna arises from the Gospel of Luke, when Anna and Simeon recognise Jesus when he is presented as a baby, in the Temple). The Covid pandemic delayed the Devon launch, but the Diocese is now supporting the training of Anna Chaplains on an online course supported by the Bible Reading Fellowship. The first cohort of 8 Anna Chaplains and Anna Friends were commissioned in November 2021 and the second group of 11 were commissioned in March 2022. I have just completed my online training course and will be commissioned later this year.

The role of the Anna Chaplain is wide ranging: most are volunteers although some are paid. They work in communities and churches to provide and develop ministries among older people by offering pastoral and spiritual support to older people, wherever they are living- in residential /nursing care

homes, sheltered housing; with family or on their own.

The model and ministry of Anna Chaplaincy is developed by recruiting, training, organising and encouraging a cohort of local volunteers to visit older people and support older people. They are supported by their local church and church leaders - for accountability, guidance, governance and pastoral guidance, ministering to and among older people as part of their local church pastoral care and ministry. Anna Friends are similar to Anna Chaplains but probably undertake fewer hours and less detailed organisational work of the Anna Chaplaincy

The intention of the Diocese is that by the end of 2023 each of the 21 Deaneries will have an Anna Chaplain who will act as a local coordinator and establish a peer support network for other Anna Friends and pastoral care workers in the local communities.

Events & Notes

Peninsula Gospel Partnership

We are a partner church in the Peninsula Gospel Partnership, and several members of the congregation are attending the weekly raining. In April we raised £562 for PGP.

The new course starts on Wed 21 September, and costs £60 a term, but the PCC will consider subsidising the cost if this is a problem. Details at <https://www.stleonards.church/whats-on/>

Cost of Living

If you're struggling to make ends meet the Teignbridge Household Support Fund could help you. Anyone aged over 16 who is a permanent Teignbridge resident and can't meet their own or their dependents' immediate financial needs can apply for help. You can apply using [the online form](#) and claims are being processed as swiftly as possible to get money to those facing financial hardship.

HIT Boxes

Here is the shopping list of priority needs, copies are also available in the church foyer:

Food: instant mash potato, instant custard, jars of pasta sauce, small tins of spaghetti, small tins of macaroni cheese, small tins of tomatoes

Toiletries: size 5 nappies, shampoo

Mission Focus.

Each month we have a different focus for our prayers and mission giving. Our focus in July is **Falcon Camps**, in September will be **Tear Fund** and in October will be **Choices Pregnancy Crisis centre** in Exeter.

If you wish to make a donation you can put cash in the collection plate on Sunday, or use the contactless payment device, or make an online donation through the Church Bank account: please name the mission focus in the reference box.

Church of England Evangelical Council (CEEC) www.ceec.info

The Diocesan Evangelical Fellowship had an excellent meeting on Mon 4 July. John Dunnett, director of CEEC, spoke about the way forward for the C of E and encouraged us to follow the news by [signing up for the regular e-bulletin](#), which you can find on the CEEC website, as well as other excellent resources.

Bell Ringing

Would you like to explore bell ringing? Practice night is Mondays at 6.45 - 7.15 for new learners and they may stay for the main practice which ends at 8.30. Anyone over the age of 12 is welcome, children should be accompanied by a parent. For more information contact Chris Dell, Katie, Robert or Barry Newport.

We also do handbell practice on Mondays in the church at 6.30. This is method ringing rather than tunes at the moment but we plan on doing Christmas Carols for this year.

A speculation on Paradise

04 June 2022 Roy White

It could be said that Paradise, or Heaven if you prefer, bookends the Holy Bible, appearing in both Genesis and Revelation. Adam and Eve were in Paradise with God at the beginning of mankind, and St John saw a vision of Paradise at the end, in his revelation.

I do not know what Heaven will be like, so what follows is a speculation regarding possibilities. I am not a theologian and my knowledge of Holy Scripture is not as good as it could or should be, so I stand to be corrected or ignored. It may even be incorrect to think that Heaven and Paradise are synonymous, but for the limited purposes of this, may they be regarded as being so.

I am sure there are many people, the vast majority of them far more learned and clever than me, who will look upon my speculations as untheological, sentimental at best, and downright schmaltzy at worst. They probably have thought long and hard and deep about what is to come after this life, and may I respectfully suggest that these things, perhaps all things of a theological nature can be overthought, to the extent that, maybe, the point is missed entirely. Of course, I may think this because I am not capable of long, hard, deep thought.

Someone said, during a course I attended in the Church Room, that he did hope heaven would be familiar, like the Earth we are used to, land and sky and sea, mountains et al. And animals, including pets. I can understand what he means. When I was a child about nine years old, about a year after my maternal grandfather had died, my grandmother

said to me that in Heaven there was a beautiful country cottage with roses round the door, a budgerigar in a cage in the window, a large cat by the hearth and that grandad would be waiting for her there. My grandmother had lived all her life in London. Born in Bromley-by-Bow, in the east end, and living in various parts of London, north and south. When she told of her hope for Heaven to me, my family, including her, were living in Croydon. She had never lived in the country, but like a lot of city dwellers she had an idyllic, even romantic (a cynic would say sentimental) picture of rural life in her mind's eye.

Obviously Heaven is a different dimension to that which we inhabit now, and its purpose is for us to be with and worship God, His Son and the Holy Spirit. But in St. John's Revelation it is said there will be a New Heaven and a New Earth – could the New Heaven be the New Earth? *“He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, or pain anymore, for the former things have passed away”*. Rev. 21: 4.

And why will there be no tears or pain or death anymore? Because there is no Satan there, he has been consigned to the fiery lake and is no longer able to lead us astray. So the new Earth can be as God intended the old one to be and we know it should be, so now I can see that my Grandmother is stood by her cottage door, looking (she was nearly blind in later life) at the roses and smelling their fragrance, praising the Lord God, and watching Grandad tending his lupins, while keeping an eye out for me.

Local News

Church Administrator

At the beginning of July the PCC appointed Mrs Camilla Matheson as church administrator.

Camilla writes:

“ I have worshipped at PPT since 2007 when we moved back to Devon. I actually grew up in Bovey

Tracey and went to PPT as a child and married my husband, Steve, there 31 years ago! I am an enthusiastic member of Sunday praise and enjoy seeing families old and new joining us each week and seeing our Church growing in faith. Many of you will know me as the play leader of 1st Steps, our Church toddler group which I have been lucky enough to do for the past 11 years! I have now taken on the part time role of Church Administrator, helping to keep Church life running smoothly, during Graham’s upcoming Sabbatical. I have 3 children: Beccy, Grace and Eli and 3 grandchildren: Teddy, Eloise and Mason and when I’m not being Church administrator or Play leader, I am often looking after my lovely grandchildren, baking or walking my slightly crazy dogs!”

Camilla is employed for 5 hrs a week, and will use her time flexibly, working from

home, to produce weekly noticesheets, service orders and prepare the Sunday presentations for worship. Her email address is office@pptbovey.church and she will check the office ansaphone 834835 regularly.

A letter from our Treasurer

Last week I gave the PCC my resignation as Treasurer. I have been treasurer for just over 3 years and found it a lovely way to use my skills towards supporting the church in a role that most people won’t take on, and yet I have actually enjoyed doing the role. It has come to the point where various demands in my family life, along with the need to continue with my accountancy training, are requiring me to step down from the treasurer role.

I am prepared to stay in post while Graham is away on sabbatical to support the PCC, SC and the congregation. I suggest that I step down the 3rd week of November, with a view to the new Treasurer taking over completely from the second week of December. This gives the PCC 18 weeks to advertise and find a replacement. Should someone like to start sooner, then I am happy to do the changeover earlier to suit them.

Thank you to all of you who have assisted me in the role to date, I have enjoyed having the opportunity to serve PPT in this role.

Tafline Percy

From the registers:

Congratulations to:

Mason Perring, Bella and Joseph Stephens, Elliott and Joseph Heale baptised on Sun 3 July.

Congratulations to Julie Wills and Simon Hearne, married on Saturday 3 June, Hannah Rockey and Craig Good married on Saturday 25 June, Anna Mitchell and Andrew Hart married on Friday 1 July, and

Simon Weeks and Kylie Walker married on 2 July.

Our condolences to the families of: Margaret Cruddace, whose funeral was held on Friday 15 July, Pat Savage-Jones whose funeral will be held on Wed 10 August at St Mary’s Hennock, Rosemary Barker (15 August) and Marion Coombes whose funeral will be held in church in August.

PLANNED GIVING TO PPT Bovey

For where your treasure is, there your heart will be also. (Luke 12:34)

The mission of the church is to glorify Jesus: we do this through our worship, service and witness. A church is not a company to make a profit, or a club to benefit its members, but a charity, whose purpose is to glorify God and reach out in love to our neighbours.

We could worship, serve, and share Jesus for free, using our own homes and our spare time, but if we are to meet in larger groups, we need buildings, which we have to maintain, insure and heat. If volunteers do not have the time or capacity to provide ministry and organisation, we need to employ people to support our volunteers. We owe reasonable security of employment to those we employ, so we need to plan our finances with a budget, not planning to spend more than our income allows.

Giving is a vital part of our worship and service. Our giving reveals our faith in God and our love for our neighbour. At PPT we make a clear distinction between the **local funds** used to support the work of PPT, and **outward giving** to other mission agencies working in this country and internationally.

Outward Giving

The funds raised each Sunday in the collection plate and the contactless card reader are given to a different mission agency each month. We can claim Gift Aid on these gifts. You can also pay directly into the church account, indicating which agency you wish to support. You choose how much goes to which agencies.

Currently we support five international agencies:- Tear Fund, Leprosy Mission, Open Doors, Thika Diocese (Kenya) and the Sandels family with YWAM in Albania
two national agencies:- Christian Institute, Falcon Camps (CPAS)
and three local charities:- Peninsula Gospel Partnership, Exeter Choices Pregnancy

Advisory Service and the Bovey Youth Cafe.

We sometimes hold special appeals, as we did for Ukraine in February. We are considering forming a Parish Benevolent Fund to help address rising local poverty as the economic crisis bites. In 2021 we raised £

Local Funds

90% of our local costs come are met by the planned giving of the congregation, 5% from fees and 5% from rental of the church room. We ask every regular worshipper to make a regular contribution to the running costs of the local church.

You can give directly into the church bank account via **Direct Debit** or **Standing Order** to 'P C C Bovey Tracey',
acct no. 01219910, sort code 30-96-06
(Lloyds Bank)

You can increase the value of your donations to PPT by 25% if you complete the **Gift Aid** form below. which allows us to reclaim income tax at no extra cost to you. The Gift Aid secretary is Kate Martin, (01647 277458) who will gladly advise you.

If you want to use **weekly/monthly envelopes** to remind you to make gifts by cash or cheque, please contact the Treasurer, Mrs Tafline Percy (treasurer@pptbovey.church).

If you wish to put cash or cheques for Local Funds in the collection plate, please use the **purple envelopes** in the pews on Sunday.

We are also grateful for legacies which can be left to the parish church, and enable us to address new projects and opportunities, or to meet unexpected needs. The PCC has adopted a policy of placing legacies in a **designated fund**, which will be used by the PCC for special projects (fabric repairs, improvements or mission initiatives) rather than regular running costs or paying Common Fund.

You do not need to write a new will, but simply fill in a Form of Codicil. Please contact the treasurer for details.

Falcon Camps is an important part of the ministry of CPAS. It provides holidays for children who would not normally get a holiday for various reasons. Like many other organisations camps have been cancelled during the past three years because of COVID thus leaving many young people disappointed. This year plans are in hand to hold 14 different camps thus giving the children a time of happiness and an opportunity to learn more about Jesus. CPAS really appreciate the support we have given to the work of Falcon and would welcome support again this year both financially and in prayer.

News from the Diocese:

The new Bishop of Plymouth will be Revd James Grier. He is well known in the Diocese as our Diocesan Mission Enabler. James will bring to his new role energy, imagination and a passion for the Gospel. As a

Plymothian, he has an instinctive understanding of the opportunities and challenges that confront the city of Plymouth, as well as a deep affection for our county. James will be consecrated a bishop by the Archbishop of Canterbury in Southwark Cathedral on Michaelmas Day, 29 September. He will be welcomed and installed as Bishop of Plymouth in the Cathedral during Evensong on Sunday 9th October to which all are welcome.

Nourish Festival

We are delighted to be hosting the evening concert on Sat 10 September at 7.30pm. **The Tenebrae Consort** will be presenting *Sun, Moon, Sea and Stars*, an international collection of original works and arrangements or traditional pieces arranged by choral icon Bob Chilcott. The range is widened with classic songs from the likes of Gershwin, Kern and Berlin and a sprinkling of Lennon & McCartney. Don't miss this opportunity to hear one of the very top choirs on a rare visit to the West country!

Tickets are £25 (U18s £5), available from the Cheese Shed or <https://www.ticketsource.co.uk/nourish-festival->

Peninsula Gospel Partnership **East** *Training Course*

A one or two year course for any Christian who wants to know and teach the Bible better to serve others in their local church and beyond.

The course provides an introduction to the different books of the Bible, ministry and teaching skills and (in the second year) further lectures on doctrine, e.g. the Cross, the Holy Spirit, and Church History.
