Sundays at PPT

We hold three services every Sunday at PPT.

Sunday Praise at 9.30am lasts an hour, and is a lively and informal service, with groups for pre-school and children up to 14 years of age

11am is a more formal service with liturgy, choir and traditional hymns.

5pm Prayer & Praise is a very informal service held in the church room.

The young people (aged 14–18) meet in the church room for games and bible study at 7pm every Sunday.

Refreshments are served after all services.

We hope to stream one service a week to our Youtube Channel: PPTV – see the website for links.

During the Week

Midweek communion is held on Wednesday at 10am, and there are online prayer meetings at 9am on Monday, Friday and Saturday –

First Steps is a Parent & Toddler group for 0–3s (3–5s welcome) each Friday morning from 9.45am in the Church Room. Contact Camilla Matheson for details. Group restarts in September

Wise Guys is a group for young people aged 11–14 meeting at the Youth Cafe from 6.30–8pm every Monday.

Many **adult small groups** meet during the week, including a mum's bible study, a men's prayer breakfast, and in various homes around the town. See the website or leaflets in church for details

The Vicar writes

Christians have gathered to worship at this site overlooking the town of Bovey Tracey since Saxon times, and our building is still the biggest, the oldest and arguably the most beautiful building in the town. It is open every day from 9am till dusk/5pm for visiting and for quiet prayer.

There is still a lively Christian congregation here each week, with something for people of every age.

The Church is a popular venue for weddings, funerals and Christenings – please contact me for details, and also for various concerts and civic events throughout the year.

We are pleased to be hosting the choir Tenebrae for the Nourish Festival on Sat 10 September.

There's something every week for families at PPT
